Coming this Summer!*

Tickets ON SALE NOW !

ENOPION's 2-hour musical for the entire family!

Once upon a time...
there lived a King that sent his Son
into the Kingdom
to tell everyone about the King's love for them.
He also extended an invitation to the people
to come to the Grande Ball,
but not everyone accepted the invitation.

Sound like a fairy tale?
Well it is.

And you will be surprised at how the Gospel message is told through
this enchanting musical.
