Once upon a time,

There lived a King that sent his Son into the Kingdom to tell everyone about the King's love for them. He also extended an invitation to the people to come to the Grande Ball, but not everyone accepted the invitation. Sound like a fairy tale? Well it is, and you will be surprised at how the Gospel message is told through this enchanting musical.

HURRICANE HELENE
Community Crisis Fund
for the Central Savannah River Area

Thanks to the generous grant from the
**Hurricane Helene Community Crisis Fund at
the Community Foundation for the CSRA.** We
will be able to continue the cleanup needed to
remove the remaining damaged trees and
rebuild the puppet house that was destroyed by
the hurricane.

Would you like to help us with this project to
build back the path? This will allow us to have
outdoor performances once again. More
information on how you can give and updates
on the progress will be available on our website.

Explanation of Work to be done:

Tree Removal - Over 100 trees
Puppet House - The previous Puppet theatre is
totally destroyed.
Fences - There was minimal damage to the
split rail fences, and this will be
repaired where needed. The privacy fence also
will need repairs that
circles the perimeter of the property.
Benches and Picnic Area - Replacement is
needed.
