

Streets for All Fest is just around the corner! Join us for a weekend-long celebration of biking, walking, and public space happening March 5-7, 2026! We're bringing together rides, walks, and gatherings that make it easy (and fun) to experience the best of our city - and most activities are **FREE!**

We're also offering one special ticketed experience - [Ocmulgee Heritage Trail: Behind the Scenes Ride + Walk](#) - a guided, limited-capacity opportunity to explore the newest developments on the trail and a sneak peek of what's to come!

We'd love your support during Streets for All Fest! Grab [raffle tickets](#) to win a Trek FX Stepover Gen 4 with upgraded Thomson bike parts, add a limited-edition "Macon Streets for All" tote for \$15 at [registration](#), become a [member](#), or make a suggested \$10 donation when you sign up.

Register now and join us in shaping a more walkable, bikeable future!

ABOUT BIKE WALK MACON

Bike Walk Macon is leading the movement to make bicycling and walking a safe, healthy, and affordable option for transportation and recreation for all Maconites.
and affordable option for transportation and recreation for all Maconites.

Founded in July 2015, we are Macon-Bibb County's first grassroots bicycle and pedestrian advocacy organization working to enhance mobility to create a more vibrant, healthy, and equitable city. Through community leadership and inclusive engagement, Bike Walk Macon has become the city's voice for all things biking and walking. We seek to make active transportation an option for all Maconites, no matter where they live or where they're trying to go. We work to make our transportation network support active living and additional commuting options.
