### ***Meet the Stars and be a part of the Magic this July!***

Decade Days is bringing '**Christmas in a Small Town**' to Dahlonega, July 24–26, at the UNG Convocation Center.

This one-of-a-kind convention is your chance to meet your favorite Christmas movie and Hallmark Channel stars in person! With your ticket, enjoy **Q&A panels, meet-and-greets, themed bingo and trivia, and access to the craft area.**

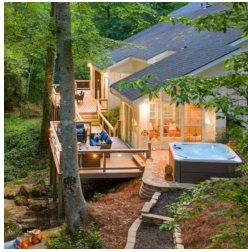

While the convention takes place at the Convocation Center, **the whole town is getting in on the fun!** Make sure to check out **local businesses offering Christmas-themed menus, treats, and gifts.** Even if you're not attending the convention, you're invited to celebrate our favorite holiday a little early this year!

***Dahlongega was in the national spotlight!***

We were honored to welcome **Fox & Friends** to town after being recognized as one of **America's Most Patriotic Towns**. The live broadcast showcased our historic downtown, incredible community spirit, and the beloved Fourth of July parade that makes celebrating Independence Day here so special. Whether you're visiting for the festivities or you're a longtime local, we're proud to call Dahlongega home—and even prouder to share it with the rest of the country!
