

"Puff the Magic Dragon" opens Thursday!

Only running until September 15th, California-based puppetry company THE PUPPET COMPANY will be presenting their charming rendition of this vintage classic story of Puff and Jackie Piper!

Shows are every Monday-Saturday for two weeks ONLY at 11:00 a.m., 1:00 p.m., 4:30 and 7:00 p.m.!

Here's a little about the plot of the show:

Puff's homeland is in trouble and it's up to the children of the world to help save it!

Join Puff as he saves the beautiful land of Honah Lee with the help of Jackie Piper. Through kindness, creativity, and a whole lot of imagination, Jackie helps a cast of characters find their way and bring peace to Honah Lee.

This one-hour performance includes a pre-show of 3' tall performance marionettes, too! These trick marionettes dance and interact with the audience. It's amazing to see the puppeteer working with the puppet right in front of your eyes!

After the show, audiences will be able to meet the puppets and ask the puppeteers questions.

Why this show?

We are so excited that our Partners-in-Puppetry have brought this vintage

classic to the Flowing Wells Puppet Cottage to kick off our Puppet Show Season. Wondering why they wanted to bring this one all the way from California?

In our age of instant gratification, slowing down to remember that creativity is innate gift given by our Creator is more important than ever. Experiencing live storytelling plays a big part in inspiring goals, fostering imagination, and showing that anything is possible if you just believe in both children and children-at-heart!

Tickets are \$8 per person.

A delightful tale perfect for the whole family!
While tickets will be available at the door, we suggest that you book ahead of time.

We have special field trip shows, Scouting Days for Boy and Girl Scout Troops, and more planned for this year.

Please inquire about special showings for your group!
