

"Stone Soup" Begins in Just One Month

A family-friendly puppet show perfect for all ages!

Combining the tales of "Stone Soup" and "The Giant Turnip", this heartwarming show is full of friendship, sharing, and the warmth of the Thanksgiving Season.

Told through classic hand puppets made by our own Flowing Wells Theatre Puppeteers, this gentle puppet show reminds us all that friendship, kindness, and "loving thy neighbor" is like warm soup for the soul!

Here's a little about the Show:

The villagers of Glenn Valley have had a very difficult time, so difficult that the Mayor has banned sharing, posted a sign for strangers to keep away, and has even forbidden giving presents!

With Thanksgiving just around the corner, it's up to a stranger from the next village over the mountain to show Glenn Valley that giving with a happy heart can be good for the soul and that there's nothing better than sharing a meal with a friend.

All of our shows take place in our beautiful outdoor puppet theater!

Just 300 steps from our parking lot, our PUPPET COTTAGE is nestled in the quiet of nature for a truly unique puppetry experiences.

Our audience benches can sit about 60 audience members, with a cozy outdoor rug for children to sit on if they'd like to be closer to the story!

Please feel free to bring a pillow or stadium seat if you need back support.
