Let's make a statement for safer, more connected streets in Macon. We can't wait to ride with you next week!

WHY YOU SHOULD RIDE

Champion Safer Streets for Everyone - When hundreds of riders come together, we send a clear message: Macon's bicycling community is here, and we want safer streets, connected bike lanes, accessible trails, and better transportation options. Your participation helps champion a community where everyone can walk, bike, and roll safely.

Celebrate Macon's Bicycling Community - The ride is for everyone - families, experienced riders, and newcomers alike. It's a chance to share a love of biking, learn from one another, and connect with Macon's bike community. Safety resources, maintenance tips, and information about future events and groups will be available.

Support Better Biking in Macon-Bibb - Your registration directly supports Bike Walk Macon's work to make active transportation an option for all Maconites. From community events and educational programs to advocating for safer streets, your support helps create a more connected, bike-friendly community.
